Dear Valued Policyholder:

You have recently contacted our office or visited our website for information about cash surrendering your policy. Before completing the surrender process, please review the following frequently asked questions. Please refer to your policy or call our Customer Service Department at 866-440-1357 for specific information regarding your policy.

What does cash surrender value mean? This is the sum of money that will be paid to the owner if they choose to terminate their policy. The cash value or surrender value is the amount of savings accumulated by the policy. The cash value is not the same as, and is less than the benefit that would be paid upon death. Please refer to the cash value table in your policy for a more detailed illustration or contact a Customer Service Representative.

Is there a charge to cash surrender a policy? There is a charge for surrendering some types of policies. This surrender charge will be deducted from the cash value paid to the owner.

Will unpaid loan balances be deducted from the cash surrender value? Yes, any out-standing loans and interest due will be deducted from the cash value paid to the owner.

Do I have to pay taxes on cash surrenders? You must pay ordinary income tax on any cash value gains you receive. You should contact your tax consultant on any tax matters. If you surrender the policy and there is a taxable amount, you will receive a 1099 from Trinity by the end of January the following year.

If I cash surrender a policy, can I get another life insurance policy in the future? You may or may not be able to qualify for certain types of insurance in the future because qualification is based on factors such as age and health. Also, insurance premiums are based on age and therefore a new policy payment may be higher than your current payment. This policy may not be reactivated after if it is cash surrendered.

Are there options to keep my policy in force without cash surrendering? Policies have different options, please read your policy or contact a Customer Service Representative to determine options available to you. There may be options that allow you to stop paying premiums by using the cash value to change your coverage.

We value you as our policyholder and we encourage you to contact a Customer Service Representative at 866-440-1357 with any questions you have.
